

Their daily fight – to ensure our planet’s tomorrow

A massive Green Carpet Gala will be the Melbourne premiere this world first documentary- “The Thin Green Line” the International Ranger Documentary by Australian Park Ranger Sean Willmore. The Gala will also feature some great bands playing live including Witiyana Marika of Yothu Yindi, members of Bomba, Symbiois, Cousin Leonard, TOV and other special guests.

Featuring music from John Butler trio, Xavier Rudd and Blue King Brown in this film you will visit some of the the world’s most breathtaking protected areas, share in this behind the scenes, unique and very personal view of the men and women of The Thin Green Line as they talk to one of their own.

This is an Access All Areas pass – you’ll go off the tourist trail to ride with the guardians of the world’s protected natural gems as they encounter elephant charges in South Africa, walk with armed patrols defending the Mountain Gorillas of central Africa, hang from a helicopter high above the Rockies to pluck an injured hiker to safety.

It is a compelling story of men and women who everyday cope with corruption, ignorance, politics and greed. Often undergunned, under-resourced and outnumbered they daily risk their lives. Their passion, dedication and skills see them prevail . . . mostly.

For some rangers, the ultimate sacrifice is made in defending our last sanctuaries, in particular from murderous poachers. **It’s to their families and cause that 100 per cent of profits from this project will go, including the Green Carpet Gala**

The daily fight to preserve our tomorrow – more than a job.

It’s a passionate stand – on The Thin Green Line.
